FOREST DEPARTMENT.

BANGALORE DISTRICT.

Notification dated 2nd March 1940.

TENDER FOR THE RIGHT OF THE COLLECTION AND REMOVAL OF MANGO CROP, (*viz.*, FRUITS) IN THE NEW JARAKABANDE KAVAL (NILGIRI PAPANNA'S GARDEN) FOR 1940.

Sealed tenders for the right of the collection and removal of Mango crop of the year 1940, (*viz.*, fruits) in the New Jarakabande Kaval (Nilgiri Papanna's Garden) will be received at the Office of the District Forest Officer, Bangalore District, Seshadri Road, Bangalore City, by the District Forest Officer, Bangalore District, up to 3 P.M. on Monday the 1st April 1940.

2. The tenders should be superscribed "Tender for the right of collection and removal of Mango crop, (*viz.*, fruits) in the New Jarakabande Kaval."

3. No tender will be received unless accompanied by an earnest deposit of Rs. 100 in currency notes.

4. The exclusive right of the collection and removal of the produce will be disposed of to the highest tenderer subject to confirmation by the Chief Conservator of Forests in Mysore or the District Forest Officer, as th case may be, who, at his discretion, may accept or reject the highest or any other tender without assigning any reason therefor.

5. Within seven days from the date of receipt of the notice of the acceptance of the tender, the successful tenderer shall credit into the Government Treasury including the earnest deposit of Rs. 100 the total lease amount together with local cess at one anna and education cess at six pies per rupee calculated on the entire lease amount and produce the treasury receipt at the District Forest Office. In default, the acceptance of the tender will be cancelled, the earnest money forfeited and the right resold at the risk of the tenderer who will be liable to make good any loss that may result to Government thereby but will have no claim to any surplus accruing therefrom. Such loss shall be recoverable as an arrear of Land Revenue.

6. If the tender is not accepted, all moneys paid will be refunded to the party.

7. Within 15 days from the date of acceptance of the tender, the successful tenderer shall execute an agreement with one or more sureties to the satisfaction of the District Forest Officer on a stamped paper of the value of ten annas procured at his own cost and also furnish a security deposit of Rs. 200 or one-quarter of the leas amount, whichever is less, for the due fulfilment of the conditions of contracti in the shape of Government Savings Bank Deposit. In default, either to execute the agreement with the necessary sureties on to furnish the required security or both, the contract will be cancelled, all the moneys already paid forfeited to Government and the right resold at the defaulter's risk. He will have no claim to any surplus accruing from such resale but shall be liable for the loss arising therefrom which will be recovered as an arrear of Land Revenue under Section 79 of the Mysore Forest Act.

8. The other conditions to be entered in the agreement will be intimated at the time of the execution of the bond.

9. Interest at the rates in force will be charged on all belated payments.

P. KRISHNASWAMI RAO,
District Forest Officer.

ENGINEERING DEPARTMENT.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 4th March 1940.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 18th March 1940, for the work of providing Sanitary fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1940.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 10 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for the work of providing Sanitary fittings in the newly constructed latrine attached to the Agricultural Office, Bangalore," in default of which the tenders will be rejected.

5. The final acceptance of the tender will rest with the Director of Public Health, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of dispute about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.
